---

## SOFTWARE ENGINEERING & PLATFORM DEVELOPMENT

Motivated Computer Science student at the University of Florida with hands-on experience in data science, web development, and machine learning. Demonstrated ability to apply Python, pandas, and Django to real-world problems through a global internship in South Korea. Strong communicator and team collaborator with a growing foundation in regression, classification, and time-series analysis. Eager to contribute technical skills, adaptability, and cross-cultural experience to impactful software and data-driven projects.

---

## KEY COMPETENCIES

Python, C++, JavaScript

Data Analysis & Visualization

Machine Learning & Modeling

Web Development

Problem-Solving & Critical Thinking

Version Control (Git & Github)

Communication & Group Work

Agile & Project Management

Adaptability & Cross-Cultural Experience

---

## PROFESSIONAL EXPERIENCE

**GNC Solution - Seoul, South Korea**

**May 2025 - Jun 2025**

**Data Science Intern**

Built data preprocessing pipelines using pandas and applied linear regression and classification models to analyze user behavior. Assisted in developing a Django web interface for internal data visualization. Collaborated with a cross-functional team to apply the Prophet model to forecast user demand.

**Mima's Cafe and Tea Bar - Suntree, FL**

**Jan 2023 - Aug 2023**

**Barista**

Prepared and served a variety of beverages with precision and creativity, consistently meeting or exceeding quality standards. Maintained the cleanliness and organization of the workspace, often alone. Communicated clearly with coworkers to ensure efficient order delivery.

**Taco Bell - Satellite Beach, FL**

**Jan 2022 - Dec 2022**

**Crew Member**

Delivered quick and friendly service to over 100 customers per shift. Maintained high accuracy during rush hours and handled register duties. Developed time management and multitasking skills in a fast-paced environment.

---

## EDUCATION & CERTIFICATIONS

**Bachelor of Science in Computer Science**

**May 2027**

Minor: Electrical Engineering

University of Florida

---

## EXTRACURRICULAR ACTIVITIES & CERTIFICATIONS

**Member, Open Source Club**

**Sep 2024 - Present**

University of Florida

**IT Specialist - Java**

**May 2023**

Certiport
